The teachers of Army Public School strive hard for the perfection of their students and work hard throughout the year. In recognition of their dedicated service to the institution, the management gives an opportunity to the teaching and non-teaching

to go on a staff picnic to unwind and get rejuvenated. The staff picnic which is a beloved tradition here is a very important annual ritual that is well organized with planned activities. This helps the teachers to interact, integrate and bond with each other. The staff members of APSK went on a picnic to Mauli Agro Farm Resort on 1st April 2023, located at Hinjewadi, Pune. The teachers enjoyed various fun adventure activities along with sumptuous breakfast. The staff thanked our dear Principal – FL Lt Sunita Dixit (Retd) for organizing the picnic which was much needed and well spent with lots of sweet memories, positivity and strong bonding among the staff.
